Figure 5

### 1.2.1 Photo

You can use MobiShow to project photos stored on your phone to big screen. The photos will be prepared for playback on big screens rather than for the tiny screens of your phone.

Open and select the photo file, then project it on the big screen through MobiShow compatible device.

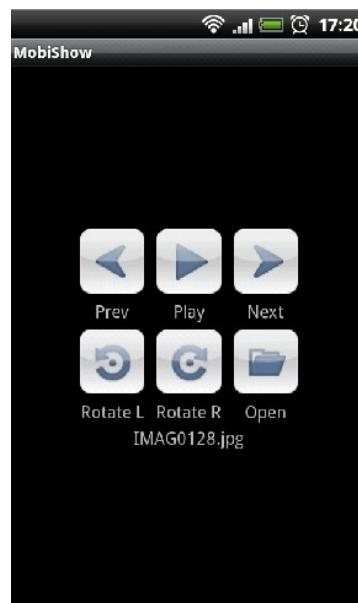

Figure 5

Button	Description
	Go to previous photo file
	Start/Stop slide show
	Go to next photo file
	Rotate to left-90 degree
	Rotate to right-90 degree
	Open the photo file

## 1.2.2 PtG

You can use MobiShow to do the PC-less Interactive presentation by PtG Feature. When the PtG file is open, the PtG slides will be projected, and the following screen is displayed on your phone for you to control your PtG presentation.

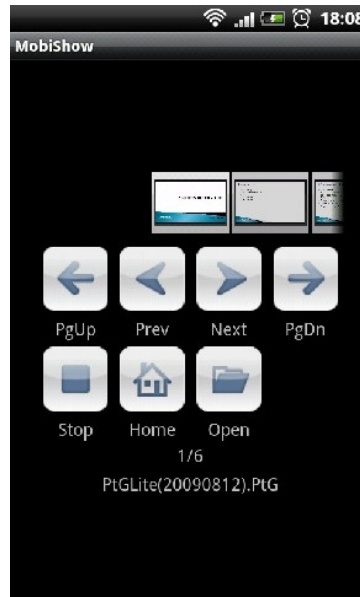

Figure 6

Button	Description
	Go to previous page
	Go to previous step
	Go to next step
	Go to next page
	Stop projection
	Go back to Home page
	Open the PtG file

**Note:**

You need to use “PtG converter.exe” to convert Powerpoint to the PtG file first.

### 1.2.3 Media

You can use MobiShow to stream and playback the multimedia on MobiShow compatible device. Select the music/video file and stream to big display, and then control the playback from your phone.

Figure 7

Button	Description
	Go to previous media file
	Pause
	Go to Next media file
	Stop
	Decrease the volume level
	Increase the volume level
	Mute/Un-mute
	Open the media file

**Note:**

1. The media performance might vary depending on your WiFi environment and performance.
2. If the connected device not support media function, the media icon will be hidden automatically.
3. The supported music/media format will vary depending on the connected device capability.

## 2.Using PtG converter

- A. Open **"PtG Converter"** in **"PtG Converter"** folder from **"Programs"** in the Start menu. The following control panel is displayed on your Desktop when it is launched.

Figure 8

- B. Click the  **Convert** button to select a PowerPoint PPT file and start conversion. PtG Converter will open the PowerPoint file and convert it to PtG format. You can see the conversion process on your Desktop.
- C. Click the  **Preview** button to expand or collapse the preview pane. Click  **Play** to playback selected PtG file, or click  **Open** to select a PtG file.
